1. About the Awards

Local Government Professionals Australia (LG Professionals Australia) is the national body representing local council executives and professionals that promote the interests of members through advocacy, networking, and thought leadership. The members are the state and territory-based local government professional organisations including LG Professionals Tasmania.

The LG Professionals Australia National Federation Awards is an annual celebration of outstanding achievements in local government. The awards honour local governments for their efforts in making a difference in their communities, by showcasing innovative solutions that demonstrate leading practices, deliver quality services and better outcomes for communities, and have the potential to be replicated across the country.

Here in Tasmania, the awards program has been designed to support the national awards with the state winners being entered into the national competition.

The National Awards will be presented in September

The National winners will:

- Receive a trophy for their council and individual certificates for all team members;
- Feature in an awards publication to be circulated industry-wide; and
- Have the opportunity to self-promote through a publicity program with LG Professionals Australia which may include presenting at associated events.

2. Award Categories

Environmental Leadership and Sustainability Award

This award recognises dedication to environmental and sustainability excellence in projects that meet the needs of the present without compromising the future. This may include stand-out projects or initiatives or apply to the improvement of corporate processes that demonstrate real or potential benefit to the environment. Sustainability may refer to both environmental considerations and wider sustainability impacts on people, resources, and communities.

Innovative Management Initiative Award

This award recognises projects or initiatives that demonstrate new approaches to leading, facilitating, or administering which result in positive changes to local government processes and practices, and ultimately bringing outstanding benefits for the council and/or the wider community.

The Innovative Management Initiative Award is proudly sponsored by JLT Public Sector.

Community Service Delivery Award

This award recognises excellence in community services as evidenced by way of corporate process improvements, outstanding project initiatives, management and leadership practices, or similar demonstration of practicality and resourcefulness. The award recognises councils that consider their responsibility in shaping community views and behaviours and actively engage with citizens.

Partnerships and Collaboration Award

This award recognises effective community and/or cross-council collaboration in achieving positive outcomes. This collaboration may include partnerships that either provide or improve upon existing services that enhance physical or social infrastructure or strengthen links to other levels of government.

The Partnerships and Collaboration Award is proudly sponsored by RDA Tasmania.
